Cape Residences is a luxury villa project with sea views. It focuses on contemporary design that blends with Thai flair. The architecture emphasizes exquisite woodwork, giving a sense of warmth, elegance and relaxation. The project consists of 2-3-storey villas designed by Campbell Kane (Thailand). The project includes villas from 4 bedrooms, an area of 1300 m2 to 7 bedrooms, an area of 4500 m2. Each villa has its own infinity pool and exclusive sunrise and sunset views in front of you. You will be enchanted by the softness of the atmosphere around the villa.

**Infrastructure**

It offers a reception, sauna, tennis court, bar, 24-hour security, video surveillance, direct access to the beach.

**What's nearby**

The complex is located on the east coast of the island in the area of Cape Yamu, offering stunning views of Phang Nga Bay and the islands. Although you feel away from the hustle and bustle of the island's central areas, the villas are just 10-20 minutes from the international airport, world-class golf courses, international hospital, British International College Thailand, Boat Lagoon Marina and downtown Phuket with a wide variety of shops, cinemas and restaurants. The gourmet restaurants of the nearby COMO tourist resort, where you will also find a gym and a wellness spa, will brighten up your holiday and stay in the villa. Explore the sea by speedboat and take unique shots on nearby islands! Plan an excursion to Old Phuket Town and a souvenir trip to Central Festival Shopping Center. And lovers of nightclubs and bars should definitely visit the establishments on Bangla Road - then your holiday in Phuket will definitely never be forgotten!

For whom is it suitable

An ideal place for those who want to take a break from the city, surrounded by quietude and tranquillity.
