A new construction has begun of a new complex in Phuket in the northern part of Bangtao Beach - Layan Nature Reserve. The condominium will consist of 30.55 m2 studio apartments, 45.75 m2 1 bedroom apartments, 91.75 m2 2 bedroom apartments and 121.85 m2 3 bedroom apartments. They are fully equipped apartments, with well-divided spaces that are comfortable to live in. During the construction, technologies will be used that will minimise the impact on the environment and save 40% of electricity in the future. The most basic of the energy-saving and environmentally friendly technologies in the complex are solar panels, the use of natural sources of cooling and ventilation, as well as environmentally friendly construction materials. Payment by instalments is valid for the construction period. The project provides for a guaranteed rental program, where the owner receives an income of 10% per annum for 10 years. Completion of construction is planned for the 3rd quarter of 2022.

Infrastructure

A fitness room, a yoga room, a kids club, a playground, an outdoor pool, a children's pool, a restaurant and a bar will be built on the territory of the complex.
