The project consists of modern villas to be completed in 2021, close to the Laguna resort. The architecture is simple and fresh, with a white color palette and many tropical plants and flowers. There are 43 villas in the project. The first phase of the project has been completed and is already waiting for its guests. One-story 2 and 3 bedroom villas with private pools. A special feature of the villas is that each bedroom is located in a separate pavilion. The concept of the project is to provide a relaxing atmosphere and feel at home. The developer has developed a plan for the one-story villas in order to provide you with the complete privacy of your home in Phuket.
