Located in a small quite gated community on Phukets East Coast, known as Ploenchan 3 project. This villa is offered at a very attractive price point.

There is ample space in front of the house to install a swimming pool. The property comes with 3 bedrooms, a part fitted kitchen and open-plan living area as well as a drive way that is flanked by the garden. The living room opens out to a large covered back of house terrace.

Location:

The house is set in a peaceful residential estate, just 5 minutes drive from the Heroines monument , close to all amenities such as banks, shops and supermarkets.
