The villas of the Fifth Element project are a perfect synchronisation of modern design with an Asian flavour. It offers unrivalled comfort and privacy in a carefully crafted, cozy and atmospheric setting. The location of these incredibly beautiful luxury villas, the design of which includes separate bedrooms with their own bathroom and toilet, a spacious living room combined with a kitchen and dining area, private parking and a swimming pool with a terrace, will provide the highest return on investment in them.

Functional sophistication and unmatched design and build quality. All villas are two-storey with modern style, absolutely luxurious and excellently equipped with two or three bedrooms ranging from 215 sq.m. to 480 sq.m. During the construction of the villas, imported materials of excellent quality are used, there are wooden finishing elements, modern built-in wooden furniture and local Thai materials, top quality granite and marble.
