The project consists of seven two-storey sea view residences with 24/7 security and walking distance to one of the most private beaches in Phuket - Banana beach from one side, and high-end, luxurious hotel - Trisara from another side. Each residence in the project offers a unique, individual style and layout.

Enjoy unrivalled privacy and luxe in a sprawling haven overlooking the sea. This residence was designed by a famous architect Kerry Hill a Singapore-based, Australian architect who specialized in hotel design in tropical Asia. Kerry Hill has won multiple architect awards for his signature design and solutions.

This residence is where traditional Asian design meets contemporary exuberance. This 900 sqm villa is built on 2,000 sqm of land, overlooking beautiful Andaman sea, and consists of two levels, with ultra high 4-meter ceilings allowing great airflow. The villa counts a total of 5 bedrooms, all ensuite. Spacious living room and terrace allows this villa to be a great place for family and friends gatherings, and even small celebrations. Live the high life with lazy days by a large, salt water pool.

Villa guests are allowed to enjoy Trisara facilities such as gym, spa, tennis, and many other luxurious features. Enjoy unrivalled privacy and luxe in a sprawling haven overlooking the ocean. Choose from fifteen uniquely designed pool residences - each with its own charms - where traditional Asian design meets contemporary exuberance. Live the high life with lazy days by your cliff-edge infinity pool, al fresco soirées bathed in starlight, and blissful in-residence spa and wellness journeys.
