Anchan Villas are designed by Pearl Island Property, a pioneer in the design and construction of luxury private Balinese-style villas in Phuket. The company has built a solid reputation for delivering the highest quality products to the most prestigious residential area on the island. Anchan Villas was launched in 2007. The project is located in a quiet location away from the hustle and bustle of Phuket such as Patong Beach. The architecture is modern with high quality materials

As proof of the scale of the project, Anchan Villas has been awarded the title of "Winner" or "Highly Commended" in the category "Best Phuket Villas" at the prestigious Thailand Property Awards 2009, 2012, 2013, 2015 and again in 2018.

The stylish villas have land plots ranging from 363 sqm to 841 sqm and are ideal for both the ideal home and lifestyle investment, creating an excellent return on rent. Each spacious and airy villa at Anchan Grand Residence Laguna is set around an inviting private pool. The open plan living and dining area features a fully equipped western style kitchen with large sliding glass doors leading to the pool deck and garden. The master bedroom, located in its own pavilion, has walk-in closets, direct pool access and a large bathroom with bathtub. In the main building, a corridor from the living room leads to 2 other bedrooms, one with a bathroom and the other with a shared bathroom with the living room. An experienced management company will provide maintenance of common areas, gardening, general renovations, as well as 24/7 security. Villa rental management is also offered to owners looking to recoup their investment by renting out the house during their absence.

Infrastructure

The project is located in a quiet yet popular residential area of Choeng Thale, just 5 minutes' drive from Boat Avenue, Laguna Resort and 18-hole Laguna Golf Course. The beautiful beaches of Bangtao, Layan and Surin can be reached in 5-10 minutes by car. Phuket International Airport is approximately 25 minutes away.
