What's nearby

The complex is located in the centre of the tourist infrastructure of the Rawai region, just a few steps from the famous Rawai embankment. Rawai is not a very comfortable beach for swimming due to the frequent low tide. But along the beach there is a picturesque promenade with fish restaurants, and in its eastern part there is a sea gypsy market, famous in Phuket, where fresh and live seafood is sold. The nearest bathing beach - Nai Harn is a 10-minute drive from the villa. The beach is popular with families with children and expats, so you will not find a large crowd of tourists here. It is comfortable to spend your vacation here, because Nearby there are many restaurants of both European and national Thai cuisine. There are also offices with transport rental and excursion services.

There is an international school within a few minutes drive from the complex. Also, within a radius of 5-10 kilometres there are Russian and Thai kindergartens, international and Russian schools. In the Rawai district and in the neighbouring Naiharn district, there are gyms, specialized rings for Thai boxing and workout grounds. Within a 7-10 minute drive there is a Macro hypermarket, a supermarket with European products Villa Market, a fish market. Grocery supermarkets: Tesco Lotus, Macro, Villa Market, Rawai Seafood Market, numerous convenience stores (7-Eleven Super Cheap, Family Mart).

Who suits

The complex is perfect for any category of tourists; it will be comfortable for families with children, companies and couples of different ages. The villas are suitable for both long and short vacations.
