What's nearby

Just 750 meters from Kalim Bay and 1.6 km from Patong Beach, which is the centre of tourist life and the most famous of all the beaches of Phuket. This is three kilometres of the most populous coast of the island. There are numerous 3-4 * hotels and guest houses, restaurants and bars, massage parlours, discos and world-famous nightclubs. No wonder Patong is called the "Asian Party Capital". All the island's nightlife is concentrated on Bangla Road. Rest here is recommended for young and active travellers. From November to April, the sea in Patong is calm, and from May to October there are waves.

Also, nearby are numerous international restaurants, shopping malls and small shops and spas and fruit markets, Jungceylon Shopping Center.
