The modern condominium was built in 2017 between two of Phuket's most popular beaches - Kata and Karon. Different types of apartments - from studios to 4 bedroom penthouses with modern design and finishes in teak and marble.

Infrastructure

The building has a rooftop communal pool with impressive mountain and city views. There is also a gym, 24-hour security, free internet access and a parking area.

What's nearby

The new apart hotel is located in the heart of the Kata area, a 5-minute walk from Karon or Kata beaches. In close proximity to restaurants, cafés, spas, ATMs and shops. For coffee lovers, a pleasant surprise - the building stands directly opposite the Starbucks coffee shop.

Who suits

The Q Concept project is suitable for those who value spacious spaces and like to be in the centre of the action. Renting these apartments will save you money, in no way inferior in comfort to nearby hotels. Suitable for everyone who appreciates quality housing for a reasonable price.
