Description of the project

Laguna Park is a large residential project within the Laguna Phuket Resort. The Laguna Park 2 project offers 2 types of properties on its territory: townhouses with 2 and 3 bedrooms and large villas with 4 bedrooms. In total, there are about 30 private houses in the Art Nouveau style on the territory of the complex, all of them are three-storey, made in the same modern style and grey colours. There is a parking lot in front of each house, corner townhouses and all villas have their own small plot of land. Some villas have a private pool. Laguna Park guests and residents can take advantage of the entire infrastructure of the huge Laguna Phuket Resort, receiving privileges in the form of discounts at the restaurants, spas and boutiques of the resort.

Infrastructure

The territory of Laguna Park 2 is adjacent to the famous Angsana Villas Resort complex, combining all the advantages of a 5 * hotel, a restaurant with a bar, a communal swimming pool with sun loungers, showers and toilets, walking paths. There is a small children's room for children, where you can just play and spend time. A free shuttle bus runs regularly from the complex to the beach and back. This is especially convenient for families with small children. The territory is guarded round the clock.

What's nearby

Laguna Park 2 is a 15-minute walk to Bangtao Beach. This beach is where Phuket's most popular beach clubs are located, such as Xana Beach Club, Dream Beach Club and Catch Club. Next to Laguna park 2 is the Laguna Phuket Golf Club, which hosts international class tournaments. Inexperienced golfers can use the services of a personal golf coach.
