Trichada Tropical is a 2nd Developer project and consists of high quality modern villas. The project is all about calmness and quiet stay due to its prime location, away from the hustle and bustle of the more congested areas of Phuket. The architecture is simple, with a white color palette and many tropical plants and flowers. There are 23 villas in this project. Villas with private large pools and tropical gardens around the villas. You may enjoy a sun lounger outdoors or dine with your family in the al fresco dining area. Trichada consists of one-story pool villas set in lush tropical gardens. The villas consist of 2 or 3 bedrooms, ranging from 100 to 150 sq. m., which are located on a plot ranging from 280 to 490 sq. m., respectively, each with its own swimming pool and parking. The concept of the project is to provide a relaxing atmosphere and feel at home. The developer has developed a plan for the one-story villas in order to provide you with the complete privacy of your home in Phuket.
