What's nearby

The villa is located on Rawai Beach - this beach is not very comfortable for swimming due to frequent low tides. But along the beach there is a picturesque promenade with fish restaurants, and in its eastern part there is a sea gypsy market, famous in Phuket, where fresh and live seafood is sold. The nearest bathing beach - Nai Harn is a 10-minute drive from the villa. The beach is popular with families with children and expats, so you will not find a large crowd of tourists here. It is comfortable to spend your vacation here, because nearby there are many restaurants like European and national Thai cuisine. There are also offices with transport rental and excursion services.

There is an international school just a stone's throw from the complex. Also within a radius of 5-10 kilometers there are Russian and Thai kindergartens, international and Russian schools.

In the Rawai district and in the neighbouring Nai Harn district, there are gyms, specialised rings for Thai boxing and workout grounds. In 7-10 minutes drive there is a hyper market Makro, a supermarket with European products Villa Market, a fish market. Super grocery stores: Tesco Lotus, Macro, Villa Market, seafood market in Rawai, a large number of convenience stores (7 Eleven Super Cheap, Family Mart).
