Description of the project

Onyx Style Villas is one of the most popular and demanded projects in the south of Phuket from the famous developer Two Villas Group. Located in the heart of the tourist infrastructure of the Naiharn area, in close proximity to restaurants, shops and massage parlours. The construction was completed in 2014. The project includes 46 villas with two and three bedrooms, ranging from 158 m² to 280 m².

Onyx Style Villas are cosy one-storey villas with a private pool in a romantic atmosphere surrounded by lush greenery. Almost all villas in the project are two bedroom. Made in the same architectural style and design. A spacious living room with a seating area is combined with a fully equipped kitchen with a dining area. The living room doors lead directly to the pool in the garden, which is equipped with a barbecue area and sun loungers. The decor of the rooms is in the Modern Sino style, which makes these projects different from others. Onyx Style Villas offer a large master bedroom with pool access and a luxurious bathroom with a beautiful bathtub and walk-in shower. The second bedroom is slightly smaller, with its own private bathroom. There is no individual parking space for the villa, but there is a large car park at the entrance to the complex, which is guarded around the clock.
