Calypso Garden Residences is a modern and unique complex located in Rawai within walking distance of the waterfront, almost at the southernmost point of Phuket Island. In the centre of a well-developed infrastructure.

The Calypso Garden Residences condominium has one and two-bedroom apartments ranging from 45.1 to 116.4 sq.m. High quality finishing materials, 2 communal swimming pools, a rooftop bar with sea views and excellent infrastructure. The modern apartments feature an equipped kitchen, living room, one or two bedrooms and balconies with stunning sea, pool, mountain and tropical views. The bedrooms are decorated in light colours, and the wooden flooring gives a feeling of comfort and cosiness.

2 swimming pools (on the territory of the complex and on the roof overlooking the sea) with sun loungers - a great place to relax at any time of the day!

Of course, there is covered parking and 24-hour security on site.

What's nearby

One of the best beaches - Naiharn is located 3 kilometres from the project. The beach is popular with families with children and expats, so you will not find a large crowd of tourists here. A stone's throw from the beach, there is a freshwater lake and an observation deck with windmills. Nai Harn Beach is popular with families with children, as well as with winterers and long-livers of the island. It is comfortable to spend your holiday here, because nearby there are many restaurants of both European and national Thai cuisine. There are also offices with transport rental and excursion services. For a long stay on Naiharn, it is comfortable to live for families with children - there are international and Thai kindergartens, international and Russian schools nearby. The way from Naiharn to the popular children's play complex "Rawai Park" will take 5 minutes by car or bike.

Naiharn is also often chosen for yoga tours or sports camping. At Naiharn and in the neighbouring Rawai district, there are gyms, specialized rings for Thai boxing and workout grounds. A 5-minute drive away is a Macro hypermarket, a supermarket with European products Villa Market, a fish market. The maximum number of schools and kindergartens is also concentrated in this area.

For whom is it suitable

The complex is ideal for all categories of tourists. The apartments in the project are available for both short vacations and long term rentals. An excellent offer for winterers and expats. This complex is often chosen by families with children and couples of all ages.
