About the project

We present to you an exquisite hilltop retreat, where the expanse of Chalong Bay opens up before you like a picture. When you turn around, your gaze rests on the picturesque mountains, shrouded in evergreen forest. This is Chalong Temple, a place where modern design and wild nature create a harmonious unity. The location of the villa is ideal: here, close to attractions, supermarkets and restaurants, you will find your corner of silence just 38 kilometers from the airport.

Immerse yourself in a world of elegant luxury with our 814 square meter villas with seductive sea and sunset views. Three separate pavilions of the villa open up to you the shimmering expanse of the sea, and the 3-meter ceilings give it a special exquisite charm, creating an airy and relaxing atmosphere. At Chalong Temple you will plunge into a world of tranquility and privacy.

Looking for a quiet luxury getaway, but still want to enjoy all the variety that Phuket has to offer? Chalong Temple is made just for you.

Seclusion in this place does not mean remoteness from life: the noisy streets of hotels and villages remain outside, but all the main infrastructure of the island - international schools, hospitals, shopping centers - are only 15 minutes away.
