## **Space Cherngtalay Project Description:**

The new Space Cherngtalay condominium is under construction in Cherngtalay, Phuket. This 8-story complex will consist of 170 apartments of various sizes: studios approximately 26 sqm, one-bedroom apartments around 28-34 sqm, and two-bedroom apartments about 51-67 sqm. The apartments are designed to be comfortable and functional, suitable for a cozy living experience.

Eco-friendly technologies and materials are being used in the construction, aiming to reduce electricity usage. The project includes energy-saving solutions, such as solar panels and natural cooling systems.

Construction started in the first quarter of 2024 and is planned to be completed by the third quarter of 2025.

## **Infrastructure:**

The complex will feature a fitness center, poolside relaxation area, sauna, co-working space, library, and spacious green areas for leisure.

## **Nearby Attractions:**

Space Cherngtalay is conveniently located in Cherngtalay, close to popular beaches and tourist spots in Phuket. The area is well-known for its developed infrastructure, including shops, restaurants, and entertainment venues.

## **Suitability:**

This project is ideal for those seeking modern living in Phuket, including investors interested in profitable rental opportunities, and families who value convenience and proximity to nature and beaches.
