The image consists of four identical panels arranged in a 2x2 grid. Each panel shows a bright, modern interior space. In the foreground, there is a dining table made of thick, natural wood slabs supported by metal brackets, with a matching wooden bench. The table is set with white plates, bowls, and a large potted plant. In the background, there is a kitchen with white cabinetry, a black oven, and a countertop with various kitchen items. Large windows with light-colored curtains allow natural light to fill the room, and more potted plants are visible outside the windows.
