In the foreground, there is a dining area featuring a long, rustic wooden table with a live-edge finish, supported by silver metal legs. Two matching wooden benches, also with live edges and metal legs, are positioned on either side of the table. Several light-colored upholstered chairs are tucked under the table. On the table, there are some small decorative items, including a white vase with green plants and a small bowl. In the background, a white kitchen is visible, equipped with white cabinetry, a black oven, and a countertop with various kitchen items like a coffee maker and a fruit basket. Large floor-to-ceiling windows with light-colored curtains dominate the back wall, offering a view of lush green plants outside. The overall aesthetic is clean, bright, and contemporary.
