Allamanda Hotel is literally 5 minutes from the beautiful Bangtao Beach, in the north of the island in the world famous 5 * Laguna Resort, where Dusit Thani, Banyan Tree and Angsana hotels are located. A free bus runs throughout the day, and a boat sails along the picturesque lake that will take you straight to the shore. Nearby there is a large Villa Market supermarket, a night market, spas and restaurants for all tastes. You will also have the opportunity to ride a horse along the coast, because at the entrance to the Laguna there is a famous equestrian club.

The apartments are cozy and spacious, right from the living room you can walk to the pool or along the cozy paths. If you are used to comfort, then this is the apartment for you. There is a living room combined with a kitchen area.

Walking to the beach directly through the beautiful Angsana Hotel will not take more than 5 minutes.
