What sets Grand Breeze Park apart is that we are able to offer the best of both worlds: all of the amenities of a true luxury hotel, with the comforts of home that only a private residence can provide.

Concept

The Grand Breeze Park Condotel combines the amenities that one finds in a short-term holiday resort, while also providing for the facilities that fulfill the requirements of long-term residences. Grand Breeze Park has five buildings, housing a total of 185 units.

Location

Situated on Phuket's gorgeous West Coast, Grand Breeze Park is perfectly located between two of the most beautiful beaches of Thailand: Patong and Kamala, and is just two kilometers from Kamala Beach and all of restaurants, nightlife and shopping that the area offers. Patong Beach is only 4.5 kilometers away from the Condotel, and residents have direct access with just a 10 minute drive. Phuket Town is just 25 minutes away and the airport is very manageable 27 kilometers, an easy 45 minute drive, making getting to Grand Breeze Park convenient for all visitors.
