

The image is a 2x2 grid of four identical photographs. Each photograph shows a bright, modern interior space. In the foreground, there is a dining area with a long, rustic wooden table and a matching wooden bench. The table and bench are supported by white metal legs. On the table, there are several small white bowls and a large white vase with green plants. To the left of the table, there are white chairs. In the background, there is a kitchen area with white cabinets, a black oven, and a black coffee machine. Large windows with grey frames and light-colored curtains are on the left side of the kitchen, offering a view of green plants outside. The floor is a light grey color.

Project: The City Phuket

The heart of Phuket welcomes yet another elegant gem - a property that is a fantasy of architecture, thinking, style and comfort named "The City Phuket". This project was brought to life by the globally renowned World Corporation Public Company Limited.

In the exquisite contemplation of the Andaman Sea and the magic of the exotic nature of Phuket, this project is the proud owner of two graceful low-rise buildings, where 171 dwellings like doors to a world of luxury and exceptional design await their owners. Spaces are offered in three finishes: refined, fully furnished apartments, stylishly equipped apartments and clean unfurnished canvases for those who wish to reinterpret the space.

The privileges that The City Phuket offers are not limited to just great accommodations. They extend to a range of superb amenities that are designed to ensure the absolute comfort and enjoyment of residents. Enjoy the ease of swimming in the pools, taking care of your health in the fitness center, or simply socialize and work in the amazingly designed lobby and collaborative workspace. Experience the fantastic atmosphere of private karaoke and movie rooms for moments of enjoyment and entertainment.

Located in the heart of Phuket, The City Phuket has unparalleled access to major tourist attractions, chic shopping malls, reliable hospitals and prestigious schools.

The construction of this magnificent project is exactly as planned, and the entire project is expected to be completed in December 2023. Ownership rights will be transferred in March 2024.

The City Phuket is ideal both for connoisseurs of luxury and comfortable housing, and for investors who are looking for a reliable and profitable investment. It is a carefully considered, exceptionally built project, where comfort, safety and sophistication go hand in hand.
