

The latest private residential project from Serene Property & Development designed to elevate your living experience by combining unique island life with all the comfort of modern amenities. Situated in between the much sought after location of Bangtao Beach, the project offers exquisite villas within walking distance to the beaches of your dreams. Modern tropical luxury is blended seamlessly with Thai architectural inspirations to offer the very best of the modern and traditional, resulting in a resident that celebrates the natural beauty and grand heritage of Thailand. A luxurious unique design, coupled with exceptional facilities and surrounded by natural beauties, Serene Raya Villas is set to become your home away from home that offers harmonious balance between luxury, relaxation and nature. In the heart of Phuket, the project is situated in the premiere location Of Bangtao, 900 meters to the nearest beach, within walking distance to the Beach Club and a touching distance from world class shopping that caters to every lifestyle from Bangtao to Laguna and Surin Beach. In the area within 15 to 40 min there are various golf clubs, restaurants and international schools. translate into Russian
