Laguna Beachside is a new residential complex in Laguna Phuket - Asia's premier integrated resort and within walking distance of Bangtao Beach.

The residential complex is ideally located just meters from the beach and includes a private beach area from where owners can enjoy the best sunset views over the sparkling waters of the Andaman Sea.

All four Laguna Beachside low-rise buildings have a unique rooftop communal area where residents can enjoy the outdoors among the tropics, diversifying their lifestyles and contributing to the lively and carefree beach resort experience.
